Our Narrows correspondent writes us as follows: Editors Republican: Perhaps it is unusual for a correspondent to advise that there is nothing to write but it is literally true here. Everybody is busy with their crops and absolutely nothing happening worth reporting. This is certainly a happy condition of affairs, no deaths, no serious accidents, no infraction of the law. Happy is the community devoid of these.

### The Soldiers Reunion

The old Soldiers Reunion which was held at Cromwell Ky., last Saturday was well attended considering the threatening clouds of the early morning. There being about 1,500 or 2,000 people present.

It was a day of rejoicing, mingling and hand-shaking.

The old gray haired veterans of the Civil war were there mingling and rejoicing among themselves and mourning over those who have answered the last assembly call.

The Parade by the Red Men was the "hit of the day and the boys of the Cromwell lodge certainly made a grand showing in their new costumes.

Hon. Estil Neel of Morgan-town Ky., delivered the welcome address in a manner pleasing to all present. Mr. Neel is an orator of renown and certainly makes good on the platform. He was followed by Commander Truman who gave a brief talk mentioning the ones who have departed this life. Then followed T. Wade Saratton, and Dr. Oscar Allen who spoke briefly of the mission of the Red Men. Last came Otto Martin of Hartford who reviewed the Civil War and the master spirits of the war.

The crowd was very quiet and all in all the Reunion was a great success.

Next year the Reunion will be held at Beaver Dam.

Let all pray that are the old braves of that great and desperate war may live to meet hand-shake and mingle once more.

There is nothing greater and grander than doing homage to the men who have defended our flag.

## OHIO COUNTY SUNDAY SCHOOL CONVENTION

Holds two Days Successful!

Meeting at C. P. Church  
In Hartford.

The Annual Convention of the Ohio county Sunday School Convention met at the Presbyterian church Monday afternoon. The feature of the afternoon session was address on primary teaching given by Mrs. Jas. L. Rogers of Greenville.

At the evening session Rev. T. C. Gabauer, State Worker, gave his illustrated lecture on the Gospel by St. John. Special musical members were furnished by Misses Thomas and Beasley and Mr. Ernest Field; which were highly enjoyed.

Tuesday morning was taken up by reports from the various county officers and discussion by Rev. Gebauer. Also addresses by Rev. N. F. Jones and Virgil Elgin. Pledges were secured for the organization of Cradle Rolls in 10 schools. Also for Home Departments in a like number.

The following report was made by County Superintendent E. W. Ford.

Since our last convention the remaining Districts of our County have been organized all seven conventions were visited by your President, and most of them by one or more County Superintendents. Our apportionment was paid in full before the close of 1907, which we were enabled to do by the good work of Mrs. Gebauer so Ohio county went into the Banner list for the first time in the twenty-three years of her organized work.

In the matter of correspondence we have written about 500 letters and mailed out about 500 other pieces of literature, besides that handed out personally. Have visited nine schools in the County, four in the State and two in other States. Attended the State Convention last August at Madisonville, and International Convention last month at Louisville, being complimented as one of the States fifty-two delegates, these were both instructive and inspiring, then in April of this year Mrs. W. J. Vaughn held an institute of one day in Hartford, which was of much profit, and was only hindered by being poorly attended.

I have received uniformly good report from the State officers and workers, likewise from our very competent force of County and District officials who only lack experience to become the most potent factor for good in our organization.

Then the ministers of the county are showing an increased friendliness to our work as they learn to class its work along side of the Anti-Saloon League, the Kentucky Children's Home Finding Society, and other interdenominational agencies for good, and we only need to exercise that broad "Charity which suffereth long and is kind" to win objectors to see vision of the greater Sunday School. There or whenever there is no more work for the organization to do, then it can be as quietly dropped as when it was commenced.

Now as I give the brief account of my stewardship I wish to thank all of those whom I have come in contact for their kindness and to performance of me, and I especially thank both of our county papers, The Herald and Republican for their generosity in giving space almost every issue to some Sunday School item. Now in closing I trust my successor will be enabled to lead us on to greater accomplishments and certainly he shall have my hearty co-operation and I ask both, your prayers and forgiveness, for I have tried to do my best.

E. W. FORD.

The following officers were elected for the coming year.

President, Dr. E. W. Ford, Hartford; Vice President, U. S. Faught, Centertown; Sec-Treas, Miss Annie Patton Hartford; Supt. Adult grades, O. L. Miss Mary Bennett, Hartford; Supt. Intermediate grades, Jno. W. Taylor, Hartford; Supt. Adult grades, O. M. Shultz, Narrows; Supt. Organization, P. D. Tweddell, Hartford; Supt. Visitation, Joseph Foster, Beaver Dam; Superintendent Education, Dr. S. D. Taylor Beaver Dam.

The time and place of next meeting was left with the Executive Committee, composed of the above named county officers. There were 17 schools represented, the largest in the history of the organization in Ohio county. The nice lunch in the College grounds, spread by the good ladies of the Hartford Sunday schools was enjoyed by a large number of visitors.

## MRS. FRANK STROEBE

I was a nervous wreck.

I felt no desire to live.

## REMARKABLE RECOVERY, THANKS TO PE-RU-NA.

Mrs. Frank Stroebe, R. F. D. 1, Appleton, Wis., writes:

"I began using Peruna a few months ago when my health and strength were all gone, and I was nothing but a nervous wreck, could not sleep, eat or rest properly, and felt no desire to live. "Three bottles of Peruna made me look at life in a different light, as I began to regain my lost strength. While my recovery took nearly four months, at the end of that time I was better than I ever had been before. I had a splendid color and never weighed more in my life."

"I certainly think Peruna is without a rival as a tonic and strength builder, and it has my endorsement."

This lady entirely recovered from a nervous breakdown. She did not go away to a sanitarium, and spend hundreds of dollars for a cure. She just staid at home, took Peruna, and in four months weighed more than ever in her life, had a splendid color, life looked bright to her. Peruna did all this for her. What more could be expected of any remedy?
